New to the Team

Northstar Legal Incorporated is thrilled to announce the newest addition to our staffing team!

Our latest addition comes in the form of our lovely Sales Manager, Jennifer Magnusson. Jennifer recently relocated here from Sarasota, Florida where she has been in the sales industry for over ten years. During this time she has accumulated extensive experience with client relations and public communications.

Jennifer's sensitivity to her clients' needs and desires has helped her earn the rank of number one in regional sales on multiple occasions. She is currently studying for her Certified Staffing Professional Certification, through the Florida Staffing Association.

Not only is she helping to meet the needs of the clients and candidates here at Northstar Legal but also the community at large. Jennifer is the newest member of the Orange County East Winter Park Breakfast Rotary Club and looks forward to helping give back to the community.

Jennifer Magnusson is excited to be a part of the team here at Northstar Legal. She is looking forward to working very closely with Aurora Koch, and also getting a chance to meet with all of our clients and candidates will surely be a great pleasure!

A Note From the Editor

It never ceases to amaze me how life constantly gifts us with surprises. It could be a weekend getaway when you need it most or something as simple as seeing a field of wildflowers while you are driving along the highway. My most recent surprise came in the form of a new friend and colleague.

When I met Jennifer, there was an immediate connection. I knew that we would get along fantastically and I was right. Her bright smile, dedicated work ethic and professional attitude fit right in with us here at Northstar Legal. We are pleased to have her joining our team. Welcome on board Jennifer!

Temp to Hire Staffing

A growing segment of our business is in temp to hire placements. The temp to hire scenario offers some advantages to both the client and the candidate that are not afforded by a traditional direct hire placements.

Chief amongst these is that both the parties get time to decide if the employee will comfortably fit into the company's culture and working environment before actually making any commitment.
