

## GREETINGS FROM THE PUMPKIN PATCH!

Halloween is upon us – boo! International Business Times reports that recent hit movies will have a big influence this holiday season with about 2.6 million children planning to dress as a character from Disney's Frozen and 1.8 million children gaining their costume inspiration from the Teenage Mutant Ninja Turtles. If you want to be the most popular house on the block this Halloween hand out Reese's full size peanut butter cups! USA Today reports they are the most popular Halloween candy.

Amidst the costumes and candy perhaps the scariest trick is the looming holiday season that now seems to come as soon as the treats are eaten. In fact Kmart has already begun airing its holiday commercials. A year of modest holiday spending is expected and retailers anticipate hiring 800,000 seasonal employees. In fact, as staffers in your firm plan vacations, you may be anticipating some holiday hiring yourself. Remember that using a staffing agency is a safe and reliable way to meet all your staffing needs. We provide staffing solutions for both temporary and permanent, as well as full-time and part-time positions.

The sooner details such as holiday schedules or holiday spending are resolved the sooner you and your family can begin to enjoy what is truly invaluable during the holiday season. In our diverse central Florida community we see holidays celebrated so many ways. Whether it's enjoying a Merry Christmas, a Happy Hanukkah, or a festive Thanksgiving feast,
